

NEW

Medically Assisted Treatment (MAT) for Opioid Withdrawal for Teenagers!

Our pediatric ward has started a program for MAT for teens and will now accept patients 18 and under who have active opioid use disorder and are interested in MAT

Please call the transfer center **408-885-4495** and ask for the pediatric hospitalist on call

If you have a patient with problematic substance use that does not meet the criteria for admission, please call:

Substance Use Treatment Services (SUTS) at 408-272-6518
