

Challenge Team Summer Learning Initiative – Programs for MVWSD Students

This information has been prepared for Challenge Team use as of 5-4-2016 and is subject to change. In March, the district sent letters to parents inviting students to participate in programs. Parents were to complete and submit program registration forms by April 20th. Parents who want to know about availability of a program for their student should contact the MVWSD District Office or their School and Community Engagement Facilitator.
