

Greetings Partners of the County of Santa Clara Registrar of Voters' Office!

In collaboration with the League of Women Voters and the Women's Equality Leadership Committee, this is a second communication for you to share. The election is now only **28 days away** and we need your help with voters to access information and make informed decisions about their ballot by sharing the **nonpartisan** resources available! Please leverage your networks with this information including the [Easy Voter Guides](#) available in 5 languages.

Our key message is: **Get the FACTS before you vote! Voter's Edge California <http://votersedge.org/ca> is a joint project of Maplight and the League of Women Voters of California Education Fund. It's a comprehensive, nonpartisan online guide to elections covering federal, state, and local contests in California.**

**Using Voter's Edge, you can:**

1. Access your entire ballot by entering your address.
2. Get in-depth information on candidates, measures, and who supports them.
3. Read explanations of ballot measures along with who supports, opposes, and funds them.
4. Find out where, when, and how to vote, including local polling locations and vote centers.
5. Keep track of your choices and save them for Election Day
6. [Access a Spanish language version of the website.](#)

**How does it work?** Enter your **zip code** and your **street address** to access your complete ballot. Your address information is confidential. We are nonpartisan, nonprofit, and do not sell information. [Privacy policy.](#)

**Why use Voter's Edge?** In 2020, almost 2 million Californians used Voter's Edge to make more informed decisions about their ballot, including more than 110,000 Spanish users. [Find out more about VEC's success.](#)

Here is the **Voter's Edge Communications Toolkit 2020** \*in English & Spanish\* which includes customizable newsletter/website/social media content and images you can use to promote using [Voter's Edge](#) to get ready to vote in California's November 3, 2020 Presidential Election: <https://cavotes.org/news/empower-voters-facts-add-voters-edge-your-website> For images: Please use the graphics on the [VEC Flickr site.](#)

A couple weeks ago we sent out an email with **key dates and deadlines** for the Presidential General Election. Attached are the translated versions of that email in **Chinese, Spanish, Tagalog, and Vietnamese**. Please feel free to share.

Thank you for supporting our county!
