

Suicide Prevention Training

FREE ONLINE TRAINING COURSE

September is National Suicide Prevention Awareness Month. The City of Mountain View is partnering with the County of Santa Clara Behavioral Health Services Department to provide FREE LivingWorks Start Suicide Prevention Training to community members.

During this 90-minute online course, you will learn a powerful four-step model to keep someone safe from suicide. The training will also provide you with resources to connect and support friends and family members when they need it the most. Upon successful completion of the training, you will receive a certificate.

Suicide can be prevented, and everyone in our community has a role to play.
