

**JUNE 28 TO JULY 30, 2021**

# **Pediatrics Internship Program @Stanford**

- 5-week virtual program (20 hours/week) for students from diverse backgrounds
- Complete a hands-on research project and participate in weekly sessions to learn about health and research careers, meet medical students and graduate students, and attend college preparation workshops.
- For students with an interest in science, research or medicine. Join us for a fun summer together!

**Application deadline: April 25, 2021**

**Stanford | MEDICINE**  
Office of Pediatric Education
