CHILDREN, YOUTH & FAMILY SYSTEM OF CARE

The Children, Youth & Family (CYF) system of care in the County of Santa Clara Behavioral Health Services Department has five divisions supporting behavioral health needs of children & adolescents, young adults/Transitional Age Youth, and their families who are experiencing social-emotional and behavioral concerns in our community: County Clinical Services, Crisis and Intensive Services, Cross-Systems Initiatives, Family & Children Services, and School Linked Services. Services are provided through eight county sites and more than 22 contracted service providers.

Programs & Services are child focused- family driven and include a continuum of care as listed:

Crisis and Intensive Services Division*

- Therapeutic Foster Care (TFC)
- Short-Term Residential Treatment Program (STRTP)
- Crisis Stabilization Unit
- Psychiatric Hospitalization & Residential Treatment
- Mobile Response and Stabilization Services (MRSS)
- Katie A Intensive Services
- Differential Response
- Community-based Wraparound
- Youth Residential Substance Use Treatment
- Therapeutic Visitation Services

Cross-Systems Initiative Division*

- Dually Involved Youth Unit
- Treatment Focused Services
- Support Enhancement Services
- Probation Continuum of Services to Reentry
- Probation Gang Resistance and Intervention Program
- Youth Therapeutic Integrated Program
- Youth Substance Use Treatment Services

Family & Children Division

- KidConnections Network of Care (KCN)
- Outpatient & Intensive Outpatient Services
- Ethnic Outpatient Services
- Integrated Behavioral Health Services
- TAY and LGBTQ Outpatient Services
- Full Service Partnership (FSP) & Intensive FSP for children & Transitional Age Youth (TAY)
- Therapeutic Behavioral Services (TBS)*

School Linked Services Division

- Prevention and Early Intervention
- Transitional Aged Youth (TAY) REACH Program
- School Linked Services

MULTI-CULTURAL & MULTI-LINGUAL SERVICES

Services provided respect cultural values and the natural support systems of youth and families:

Services address children and family behavioral health concerns in the most family-like setting possible, according to the level of need. Culturally sensitive and trauma-informed programs are available to meet the diverse needs of youth and families, including services in preferred languages and, if appropriate, through interpretation services.

ADMISSION CRITERIA

Every effort is made by the CYF system to ensure that the most vulnerable and highest need children and families receive services. Priority is given to children and youth with Medi-Cal insurance who are unserved and underserved in the community, including those youth who are:

- Seen in emergency rooms for psychiatric crisis;
- Presenting bizarre, assaultive or self-injurious behavior;
- Those who are at risk of or have been placed in out-of-home care.
- Ethnic youth experiencing severe adjustment at home or school due to stresses of acculturation;

To access services, contact the
Behavioral Health Services Call Center
(1-800-704-0900).

PREVENTION AND EARLY INTERVENTION

Prevention and Early Intervention services and supports are available to address the social-emotional and behavioral needs of children and families. Available services include Triple P Parenting Program, Nurse Family Partnership, Reach Out and Read, Multi-level School-Based Services, Child Skills and Family Focused Therapies, and Raising Early Awareness and Creating Hope (REACH) program.

COMMUNITY BEHAVIORAL HEALTH PROGRAMS

Outpatient, clinic, community-based, school-based, and home based services are provided by both county and contracted service providers in all regions of the county.

Behavioral Health providers coordinate services and partner with the Social Services Agency, Juvenile Probation Department, School District Special Education Departments, Valley Medical Center, etc.
