Dr. Kristina Whalen, President

Foothill College was founded in 1957 with the goal to provide educational opportunity for all with innovation and distinction. The award winning main campus was built in 1961 and the Sunnyvale Center was added in 2016

Mission: Embracing inclusivity and building strong communities, Foothill College serves diverse learners and equips its students with critical thinking skills to address complex societal challenges, to thrive in the global workforce, and to engage in a life of inquiry.

Vision: Foothill College is the institution of choice in Silicon Valley for catalyzing personal, economic, and social change.

Direct Enrollment Partnerships

- In Spring 2024 Foothill College worked with Mountain View High School to directly enroll HS seniors who had not declared a destination college before graduation.
- We will expand this program in 2025 and are looking to work with other HS partners to support their students into Foothill as transfer, workforce, or apprenticeship students

Thank You
